Dear Andy:

Here is a sign that Councilmember LaBonge used in the Griffith Park area back in 2013. I am not sure if you created these signs for our office - but in any case I would like to have these signs done with a white background, anti graffiti coating, etc... along with the hardware to install them.

The logos will be provided (Hollywood Media District Logo, Badge logo) Please provide quantity prices for 50, 75, and 100

Thank you and look forward to working with your team.

Sincerely,

Lisa Schechter  
Executive Director  
Hollywood Media District BID
